Who We Are

About BCW

Founded in 2020 in British Columbia, BCW Traffic Management has become a trusted name in traffic control services. With a fleet of over 60 vehicles and 130+ employees, we're known for safety, professionalism, and operational excellence. BCW services a range of clients including municipalities, developers, and national contractors.

Our rapid growth is driven by strong leadership and a commitment to service integrity. Now, we're offering the opportunity to bring BCW's proven systems to your community.

What We Offer

Are You Our Ideal Partner?

As a BCW franchisee, you'll provide:

- Certified traffic control personnel (TCPs & LCTs)
- Lane closure vehicles and highway piloting
- Equipment rental and sales
- TMP design and municipal permitting
- Emergency call-out and 24/7 services, roadside assistance.

You'll operate under the BCW brand with territory rights and full access to our internal systems and support.

Ideal Partner

Are You Our Ideal Partner?

BCW franchisees come from a variety of backgrounds—construction, logistics, project management—but they all share the same mindset: hands-on, results-driven, and focused on safety.

Construction

Logistics

Project
managemen

You don't need prior industry experience. What matters most is your ability to lead a team, manage operations, and build strong relationships with clients. This is a frontline opportunity—not a passive investment.
